HBC Bookstall

Recently I have found that I have little time to spend on the HBC Bookstall (the bookshelves behind the doors into the coffee area) and am wondering whether anyone else at church would like to take on the task of looking after it. We have a regular supply of books from members of the congregation, and it pretty well runs itself in that the idea is 'take a book, leave a donation'. It just needs to have the book selection changed regularly (we have a small cupboard full of other books that we don't have room to display). If anyone is interested, please contact me.

Notice of Special Church Meeting - 18th Jan 2022

As part of the CIO conversion process, the CIO team would like to hold a brief Special Church Meeting to coincide with the 18th January 2022 regular Church Meeting. This is to authorise the migration of the assets and liabilities HBC from our existing structure to the new one (CIO). There will only be a single resolution. Any questions/clarification on the resolution - please contact **Pete Magowan**

Sock Sunday Thank you so much to everyone who very kindly donated to Sock Sunday. A massive £852.29 was donated and now the Motivator children will choose what to spend the money on, to help those around the world less fortunate than us. **Craig**

Carol & Richard Pike wish to thank their Church family for the many acts of kindness, prayer support & thoughtful messages during Carol's health blip at the end of last year. She is looking forward to a full recovery during this coming year.

New Phone Number for HBC

This is to inform you that there is now a new phone number for contacting HBC. It is **07483 114002**

Please make a note of it, and use it when contacting me for church matters instead of my home number or my previous mobile number of 07761232369, which I will retain for personal use only.

Chris will also be changing the manse landline number at some time (details to follow). In future the manse number should only be used for pastoral matters or for urgent matters if the church phone is not answered.
