For those joining on Zoom, please note that it is NOT the normal Sunday Service Meeting ID, but the one which I have emailed out, or passed on to those who are not on email.

**Home Groups**

One of the excellent ways to get to know others in our church is through our Home Groups. Home Groups consist of about 8 - 10 people who meet in homes every 2 weeks to study God's word, pray and support one another. They usually manage to enjoy some socials together too!

We have been praying and discussing the future of our Tuesday evening groups for some time. We have noted that the last reshuffle of home groups was about 15 years ago(!), and that some groups are now too large to meet in a home, while others are too small, and there are still many people who are not yet engaged in a home group. We also observed how many appreciated having a mix of people in the groups for the prayer course and have welcomed the opportunity to share with people outside of their home groups.

From September we hope to reshuffle the groups so this would be an excellent time to let us know if you would like to be in a group or to ask any questions about joining a group. We hope to be able to offer a group which meets on a night other than a Tuesday and possibly a group that meets on zoom. Whether you have been in the church for years or have just joined us you will be made to feel very welcome. **Jane Magowan**
