Eco Prayer: one of the tasks of the United Nations (UN) is to coordinate the global response to our climate and nature crises.

- This coming week is the UN Oceans Conference: pray that it will reach agreement to conserve and sustainably use the oceans, in time to meet the goal of protecting at least 30% of the ocean by 2030.
- Resuming in August, the UN negotiations for a global plastic treaty: pray that it will achieve an ambitious, credible and just agreement to cut plastic pollution at source, curbing the influx of microplastics into our food and water.
- In November, the COP30 climate change conference will be held in Brazil: pray for the preparations as we move towards that.

Calling all Cooks

We are looking for a few more people to go on our meals rota. There would be no pressure to provide regular meals- you would just be added to the e-mailing list whereby everyone is notified when there is a need. If you'd be willing to do this, please let me know.

Many thanks, **Gayle**

The Flowers today are provided by Carol and Richard Pike celebrating their wedding anniversary.

Eucalyptus Does anyone have a Eucalyptus tree in their garden that I could have some leaves from please,? (we wouldn't need them till August). If you do could you message me please on 07986159335 Many thanks **Ann Smith**
