Deacons & Elders

At the AGM on 15th July, we have the opportunity to appoint new Deacons and Elders. These are important roles in the life of the church and as such we would ask you to thoughtfully and prayerfully discern who you feel would be a suitable candidate for the Leadership Team. To aid this discernment you will have been emailed the Elders & Deacons Profiles (hard copies available in church) that give an outline of the qualities we are looking for and what role they would have. Please note that you do need to be a church member to be nominated. Nomination forms are available from Keith and need to be returned to Keith by Sunday 29th June. **Jane Magowan**

Eco-Event

Histon & Impington Sustainability group, in partnership with Cambridge Carbon Footprint are showing the film **Climate Anxiety** on Friday, June 27th at 6.30pm, at St Andrews Centre, Histon. The film was made by John Yates, a member of the Cambridge Filmmakers group with the participation of children (some from IVC). The children and young mums speak of their anxiety concerning climate change but as they engage with various projects, reducing their carbon footprint and contributing to solutions, anxiety is lessened, and hope is raised. A panel of local experts who are experienced in different aspects of tackling the climate emergency will be present to facilitate conversations around questions raised by the film.

Also to be shown is **Bats, Bottles and Butterflies**.

Although the evening is free please do book your ticket so that the organisers know when hall capacity is reached. To book your free ticket go to <https://www.eventbrite.co.uk/e/climate-anxiety-to-action-film-screenings-expert-talks-and-local-advice-tickets-1344166380829>

Refreshments will be available to purchase. Evening ends at 8.30pm
