Do you enjoy repairing things?

If so, perhaps you might get involved in the new 'repair cafe' that will be run at HBC on Saturday 6th December. Organised jointly between HI Sustainability and the Eco Groups at HBC and St Andrew's, people will be encouraged to bring items in need of repair and have an experienced volunteer look to fix them. There is a pool of experienced repairers we can draw on, but as a new cafe in the village we are keen to bring in fresh local faces to work alongside them. If you might be interested, do have a chat or get in touch with me. What is involved is explained at: <https://cambridgecarbonfootprint.org/what-we-do/repair-cafes/repair-with-us/> **Tony Russell**

Bags Needed

If anyone has any unwanted carrier bags or bags for life, I would really appreciate them for my food deliveries.

Many thanks, **Gayle Painter**

HARVEST-October 5th

The flower team are doing something different this year. All the flowers will be arranged in pumpkins on the window ledges. The church is providing the pumpkins and flowers but if anyone has any of the following in their gardens that they wouldn't mind donating we could use them as fillers. (Chinese Lanterns, Copper Beech, Clematis, Honesty, Cotoneaster, etc). If you have any of these or anything you think might be appropriate, they would be gratefully received

Also, if you would like to make your own flower filled pumpkin, we will be arranging on Friday 3rd October 10am, let me know so I can purchase enough flowers and come along with a pumpkin and join in the fun.
