Giving financially to HBC

A big New Year thank you to all those who have supported the church financially during the last year and further back in the past. If you are not yet giving financially to the church please prayerfully consider doing so, as through your generosity we can continue to pursue our Vision, Mission and Values, pay salaries, support mission, maintain our buildings and much more. There are various ways you can give financially to the church and if you're a taxpayer we can also claim gift aid, which helps us enormously. To discuss this further please contact me by email

john.newman@histonbaptist.org.uk or you can text or call on 07708 044398.

Eco Prayer: As figures published by the Met Office show 2025 to have been the warmest and sunniest year on record for the UK, whilst the World Meteorological Organisation says that 2025 continued a three year streak of extraordinarily high global temperatures averaging 1.48C above pre-industrial levels, we pray for political leadership and grass-roots action to address these effects of human induced climate change:

- for politicians to intervene where markets fail and set rules that stimulate climate-friendly solutions while discouraging environmental degradation
- for companies and the public sector to take responsibility for the carbon emissions generated by their products and services and switch to fossil-free solutions
- for each of us to reduce our carbon footprint through lifestyle changes and resolutely demand climate friendly solutions from producers and to democratically influence politicians to act

Happy Birthday to Russell Henke (20th)
