Giving financially to HBC

A big New Year thank you to all those who have supported the church financially during the last year and further back in the past. If you are not yet giving financially to the church please prayerfully consider doing so, as through your generosity we can continue to pursue our Vision, Mission and Values, pay salaries, support mission, maintain our buildings and much more. There are various ways you can give financially to the church and if you're a taxpayer we can also claim gift aid, which helps us enormously. To discuss this further please contact me by email

john.newman@histonbaptist.org.uk or you can text or call on 07708 044398.

HBC Email List

One way that the church communicates with those who attend regularly is via email. This is used for sending the weekly newsletter and for other items. If you would like to be added to the email list then please send an email to the admin office at admin@histonbaptist.org.uk

Keith Willingham (Admin at HBC)

Graham Ralph is doing the newsletter for one more week while Sheila is away. He can be contacted at newsletter@histonbaptist.org.uk.

Prayer Corner

Recently in the Prayer Corner, after the service had finished, it was very difficult to hear a person requesting pray due to the loud chatter in the Church. Whilst it is great that people want to chat to each other it would be appreciated if the congregation would move to the coffee area as soon as possible to chat or failing that whisper!

Many thanks, Lloyd Wilson

Eco Prayer: As figures published by the Met Office show 2025 to have been the warmest and sunniest year on record for the UK, whilst the World Meteorological Organisation says that 2025 continued a three year streak of extraordinarily high global temperatures averaging 1.48C above pre-industrial levels, we pray for political leadership and grass-roots action to address these effects of human induced climate change:

- for politicians to intervene where markets fail and set rules that stimulate climate-friendly solutions while discouraging environmental degradation
- for companies and the public sector to take responsibility for the carbon emissions generated by their products and services and switch to fossil-free solutions
- for each of us to reduce our carbon footprint through lifestyle changes and resolutely demand climate friendly solutions from producers and to democratically influence politicians to act

Happy Birthday to Janet Johnson (26th), Ines Cook and Rachel Shipton (28), Hazel Newman 29th) and John Newman (30th)
