Prayer before the service

Join us on Sunday mornings before the service to pray for our church, our nation and our world. We meet in the Youth room at 10am. Everyone welcome!

Prayer & Discernment for Youth Ministry

Please join us at church on **Sunday 29th March, 3:30-5:30pm** as we hear about the current youth ministry of the church and seek to pray into this (for the young people and the team) and also discern God's will and heart together for the way forward in this vital work.

Repair Cafe Bookings are open for our next Repair Cafe, on Saturday 18 April at HBC, and are filling up fast. Bring your broken household item and a skilled volunteer will help you fix it. We can take a wide variety of repairs to household and garden appliances, whether mechanical, electrical or electronic, including sewing machines, mowers, Mac and PC laptop and desktop computers - along with tool sharpening and repairs to jewellery, furniture, ceramics, textiles and clothing - almost anything you can carry, in fact. We strongly recommend booking repairs in advance. For details visit: <https://cambridgecarbonfootprint.org/events/histon-repair-cafe-2026-04-18/> **Tony Russell**

Easter Trail in the Village

The Churches Together in Histon and Impington are planning an event on **Good Friday 3rd April between 10am and 12noon**, for children and their families. We look forward to connecting with lots of families on the day. The last stop on the Easter Trail is at the Methodist Church where refreshments and hot cross buns will be served. Any donations of hot cross buns, or money to buy some will be gratefully received. Please pass these to me. Many thanks for all of your support, including your prayers for the event. **Helen**

Eco Prayer: As we approach the end of Lent and reflect back over our series on spiritual disciplines, let us enquire of God to show us aspects of how we live our lives where we could make small changes that could demonstrate love for our neighbours, by reducing our contribution to carbon emissions including from:

- energy use in our homes.
- the type of food we eat.
- how much / how we travel.

Happy Birthday to David Henman (24th), Bonny Rogers, Jane Magowan and Timothy Wilson all on the 27th.
