Photography with a (Re)Purpose

This autumn we are planning a photo display illustrating creative ways in which items of rubbish have been reused / repurposed, and we would like to invite you to contribute to this. Whilst you are out and about - and maybe away on holiday - please look out for interesting examples of where 'rubbish' has been imaginatively repurposed in some way - perhaps as an artwork, or maybe into something that can be used for a purpose - and snap a photo of it. Then email me the photo and a brief description (such as where it is, what it is, any interesting features) and we will put up a display at HBC, probably to coincide with our next repair cafe in October. We would also be delighted to receive any photos on this theme which you have taken in the past. **Tony Russell**

August Sundays

Sunday services during August will be as normal except for the following:

- Sunday 23rd Aug - Brunch Cafe Church (starting at 10am with food)

Lost Property

Lost items will be relocated to shelves beside the accessible toilet. Please check for any of your property and take it home!

Happy Birthday to Graham Ralph (10th)

The flowers are given by Bart and Zara celebrating their silver wedding anniversary.

Youth Summer Drop-In

Over the summer, Cambridge Youth for Christ will be running Summer Drop-Ins at No.40 - a chilled, safe space for 11-18 year-olds, right in the city centre. There'll be card games, table football, multiplayer games on the Switch, and new activities to try every Wednesday. They're offering free squash and toast, slushies for just £1 and NEW Summer Specials! Drop in on **Wednesdays 12th and 19th of August 1-5pm**, at No.40, St Andrew's Street. Young people can pop in for a bit or stay the whole time.

Eco Prayer

With the UK experiencing its third drought in five years, farming groups are warning that this is the 'new normal' for agriculture in Britain, whilst those other countries around the world that we currently rely on to produce our food are also experiencing the effects of climate breakdown. We pray for:

- farmers facing what they expect to be the worst harvest in years.
- the Farming Community Network, whom we featured last Harvest, as they support members of the farming community who are struggling with personal or business-related challenges.
- for churches and other charities seeking to support those already struggling financially and now facing higher food bills.

Help Please

We are down to do the coffee on Sunday 23rd August, but are not around on that day. Please could one or two people volunteer to do it in our place? The coffee will be served before the service, and so the people will need to be there for 9:30.
